The screenshot shows the interMatia website interface. At the top, there are navigation tabs for 'Inicio', 'Ejercicios', 'Progreso', 'Familias', 'Centros', and 'Miembros'. Below this is a row of colored buttons representing different educational levels: 1º ESO, 2º ESO, 3º ESO, 4º ESO Ap, 4º ESO Ac, 1º BACH CS, 1º BACH, 2º BACH CS, and 2º BACH. The main content area is divided into two columns of exercises. The left column is titled 'Números naturales' and contains two exercises: NA001 (Operaciones combinadas con números naturales: suma, resta, multiplicación y división) and NA002 (Divisores y múltiplos (sin usar factorización)). The right column is titled 'Números enteros' and contains several exercises including NE004, NE006, NE007, NE005, NE001, NE002, NE008, and NE003. Each exercise entry includes a small icon with a plus sign. A red circle highlights the plus icons for NA001 and NA002, and a red arrow points from this circle to the first bullet point below the screenshot.

- Realizar prácticas con los ejercicios interactivos (Solo NUMEROS NATURALES).
